

Ticket Redemption & Event Information

BOY SCOUTS OF AMERICA®
HEART OF AMERICA COUNCIL

Entrance to the Track

Enter the Kansas Speedway from I-70 onto 110th Street. This will get you to the lot nearest Hospitality Village where the Scout Hospitality Tent (GoBowling Tent) will be located. You will be given a parking pass to hang from your rearview mirror that will be a signal to the parking staff to send you in the right direction.

Parking

Parking passes to **LOT H** will be included in your ticket envelope. There will be approximately one pass for every 4 tickets on large orders. Please let Laura know if you need more. Golf Cart service is available for assisted needs transportation to and from entrance gates. [Click here](#) for more information. Pre-race and post-race routes will be listed here.

Ticket Information

You will want to pick up your tickets before the event if at all possible. **Parking passes** are included with your ticket packet. Parking at the Kansas Speedway is free of charge; however, this pass will give you access a lot closer to Hospitality Village where the Scout Hospitality Tent (GoBowling Tent) is located. All **FanVision** units will be distributed from the Scout Hospitality Tent (GoBowling Tent). **Gate D** is the closest entrance to Hospitality Village. You must have a **Scout Pass sticker** on your ticket to gain entrance to Hospitality Village. For those season ticket holders who are Scouts wishing access to the Scout Hospitality Tent (GoBowling Tent), contact Laura to request Scout Pass Stickers to add to your ticket.

Note: Any tickets not picked up by 5:00 p.m., Friday, October 14, will be available for pick-up after 8:30 a.m. at the Kansas Speedway Will Call BOOTH B, next to GATE B at the center of the grandstands. However, you will not have a parking pass.

Scout Hospitality Tent

The Scout check-in area will be located in the GoBowling Tent in the middle of Hospitality Village and located almost directly below a very large American flag. Look for the GoBowling Tent signage and Scouts in uniform. FanVision will be distributed from the GoBowling Tent beginning at **11:00am**.

Driver Appearance – Ryan Blaney

Scout Day 2016 will also include an exclusive appearance by NASCAR's Ryan Blaney. At 22-years old, third generation racer Ryan Blaney pilots the iconic No. 21 Ford in his rookie season in the NASCAR Sprint Cup Series. He also spends time behind the wheel of the No. 22 Ford in the NASCAR XFINITY Series. Besides racing, Ryan will also be a series regular in the third season of Nickelodeon's NASCAR-themed show *Hammer Down*.

Ryan is scheduled to talk to Scouts at the Scout Hospitality Tent (GoBowling Tent) at **11:35 a.m.** Please plan to arrive early.

FanVision

The Heart of America Council purchased enough FanVision units for every ticket. Since it costs \$500 to replace one, each FanVision unit number will be recorded when you pick them up and a credit card or driver's license will be held until the FanVision units are returned to the Scout Hospitality Tent (GoBowling Tent). Each FanVision unit includes headphones and a controller, much like a video game controller, that will allow you to switch channels let you to listen to all the race-day action.

Map

A Speedway map of event locations is included.

1:20 p.m.	NASCAR XFINITY Series Driver Introductions
2:00 p.m.	NASCAR XFINITY Series Race – Kansas Lottery 300

Frequently Asked Questions

If my child sits on my lap, do they still need a ticket?

Yes. Everyone through Kansas Speedway's grandstand gates must have a ticket, regardless of age.

Can I bring coolers, food and drinks into the grandstands?

Yes. You may bring one cooler per person. Food and drink are permitted in our grandstands in soft-sided coolers no larger than 14x14x14-inches. Telescoping handles on a cooler are OK if they fit within the 14x14x14 allowed dimensions. The hard plastic lining in your soft-sided cooler does NOT need to be removed. Glass is NOT allowed.

Can I smoke on Kansas Speedway property?

There is no smoking in the Grandstands at Kansas Speedway. Fans are asked to smoke on the concourse away from the grandstands.

How many bags may I bring?

Kansas Speedway allows one (1) bag no larger than a lightweight daypack or backpack (similar to what a school student uses) and one (1) soft-sided cooler no larger than 14x14x14-inches. To ensure these items fit underneath grandstand seats and do not block walkways, coolers with telescoping handles and wheels will not be permitted.

Can I bring my scanner to Kansas Speedway?

Yes. We encourage race fans to bring or rent scanners as another way to enjoy the race. If you bring a scanner in a bag, please make sure the bag is soft-sided and is no larger than a daypack or backpack. If your scanner bag is too big, clip the scanner onto your belt or carry it in without a bag.

What about cameras? Binoculars? Purses?

Cameras, camera bags, binoculars and purses are allowed, as long as they meet the above requirements.

How do I know if a bag is 14x14x14 inches?

Kansas Speedway has installed bag checkpoints at every gate, similar to what you see at airports. If your bag is larger than the 14x14x14-inch dimensions and not soft-sided, you'll be asked to take it back to your car. Sorry, but bags may not be left at our gates.

Why only soft sided coolers?

One 14" x 14" x 14" soft-sided cooler is allowed per person. Soft-sided because it is easier to fit directly under your seat and is more comfortable for others to walk around in the grandstand.

Why no metal stadium seats?

Metal stadium seats are not good for our aluminum grandstands. To eliminate the possibility of scratches and damages to our seats we only allow soft stadium seats. All seats at Kansas Speedway have a back.
