

2020 Kaw District Klondike Derby

Patrol Leader Guide

18 Jan 2020

This guide will help you to be successful for the 2020 Kaw District Klondike Derby. We will start at ~ 9:00 Saturday Morning and will finish after the sled race ~4:00.

The Derby is set up so 1/2 the points for each event are based on Patrol Method and Scout Spirit. (Patrol Method- Is everyone participating, are you working together as a patrol, Scout Spirit- is everyone cheerful, do you have a patrol flag and a patrol yell). Find attached an example of the score cards with possible events.

Each unit that has adults helping run events will receive an extra 10 points per adult who helps. If a unit has several patrols the total points will be divided between that unit patrols.

Sled Check-in

Every Sled must be checked-in prior to the initiation of the events. Please find the attached example of the check-in sheet which includes all items to be on the sled. Each patrol should have a sled. If you have trouble getting a sled, please notify Janell Neal, our KAW District Representative, prior January Roundtable (02 Jan 2020), we will check to see if someone has a spare they will let you borrow.

NOTE: Cart's have wheels, Sleds don't. Every Sled must be powered by scout spirit and a positive attitude!!

For more information and to register online go to: <https://www.hoac-bsa.org/kaw-activities-and-camping>. Online pre-registration by January 14 fee: \$10.00 per camper | Registering January 15-18 fee: \$15.00 per camper
