

COUP OF THE LONG TRAIL

The Coup of the Long Trail is recognition by the Tribe of Mic-O-Say for all Warrior Tribesmen (18 years of age or under) and to all adult Warriors and Honored Women who participate in an approved camping adventure meeting certain requirements. Following are questions and answers to help you know how to earn the coup.

What is the first requirement to earn the coup?

You must obtain an application for the coup and have it signed by a representative of the Council **BEFORE** you go on the trip. The coup is not presented for taking a trip. It is presented for taking part in certain Mic-O-Say activities while you are on the trip. You wouldn't know what activities you were to do while on the trip if you waited until you got back to get the information.

What kind of trip must I be on to earn the coup?

You must be a member of a unit, district or council group taking part in an activity sponsored by the National Council, Boy Scouts of America (Philmont, national canoe bases and national or world jamborees), or a unit activity outside of the Heart of America Council that lasts at least five consecutive days.

So, am I right that all I need to do is to take part in a trip like one described above and I have earned the coup?

No! The coup is not presented for taking a trip. It is presented for taking part in certain Mic-O-Say activities while you are on the trip.

How do I find out what activities I must do while on the trip?

You must obtain an application from one of the representatives of the Council listed on the next page. He will explain what you need to do while you are on the trip and then sign your application showing that you have received the information that you need.

I have 10 boys going. Do they all have to meet with the Council representative?

That would be the best. He could arrange to meet with you, maybe come to a troop meeting. If it isn't possible for everyone to meet with him a leader that is going on the trip could obtain an application for any who could not make it and be responsible for informing them what they must do while on the trip.

Can a Brave earn the Coup of the Long Trail?

Yes he can earn the coup while he is a Brave but it will not be presented and he may not wear it until he becomes a Warrior.

Contact any of the following to obtain information and signed applications for your trip.
