

COPE-A-Palooza

August 21-23, 2020

LEADER GUIDE

WHERE: H. Roe Bartle Scout Reservation

WHEN: August 21-23, 2020

WHO: TROOPS AND CREWS

CHECK IN: Friday from 6:45-10:00PM

CHECK OUT: Sunday 8:00-11:00AM

FEES*: \$25 per participant (youth or adult**)

**includes facility use, memorabilia, and program features*

***no charge for non-participating adults*

Registration: ONLINE @ www.hoac-bsa.org/cope-a-palooza

COPE-a-Palooza is an excellent opportunity to expose your scouts to the fun and adventure of COPE & climbing activities in the Heart of America Council. This event was started to provide different climbing opportunities in the council outside of summer camp. The event is located at the H. Roe Bartle Scout Reservation where there are numerous COPE, climbing, and rappelling sites available. All participants who sign up on time will receive COPE-a-Palooza event memorabilia.

Is your troop or crew new to COPE, climbing, or rappelling? No worries. **Heart of America Council will be providing all the necessary gear for this weekend.** If you or your unit has personal harnesses, helmets, rappel devices, and gloves please bring them to registration Friday night for inspection.

Outdoor activities will include natural site climbing and rappelling, tower program, COPE, crate stacking, rope ascending, Up & Down cave, and ice climbing. Are you a trained Level 1 or Level 2 instructor? If so, volunteering to staff one of our program sites will give you continuing education towards your recertification requirements.

REGISTRATION

HOAC would prefer that all units sign up via the website www.hoac-bsa.org/cope-a-palooza. Early registration fee is only \$25 per participant if received by April 5, 2020. Afterwards the fee will increase to \$35 per participant. Fees go toward the use of our facilities at Camp, event memorabilia, and most importantly to help maintain your council climbing equipment.

PROGRAM OVERVIEW

COPE-a-Palooza is an excellent opportunity to expose your scouts to the fun and adventure of COPE, climbing and rappelling activities in the Heart of America Council. This event provides youth the opportunity to participate in program outside of the normal summer camp program times. The guidance and supervision of trained council climbing instructors will ensure your youth have a safe and exciting time.

We recommend that first time climbers and rappellers start at the climbing tower. Scouts participate in the program as a unit and decide which activities they would like to experience. Feel free to move around program sites as you desire.

Please be prepared to eat and camp as a unit. No meals will be provided with your registration. Shower house facilities at Piercing Arrow may be available for use depending on temperature and weather conditions.

Activities are scheduled to operate from these program sites:

Site	Program Sites	Activities
A	COPE Course	 Zip line  2 COPE element climbs will be offered with a rappel at the end of those climbs
B	Climbing Tower	 Climbing & Rappelling  Ice Climbing  Up and Down Cave
C	Campsite Fort Carson	 Natural rock rappelling
D	Davis Lodge	 Tyrolean Traverse  Rope Ascending  Crate stacking
E	Cedar Bluff	 Rappelling Cedar Bluff  Climbing Devils Staircase  Explore Rattlesnake cave

CHECK-IN PROCEDURES AND REQUIRED DOCUMENTS

Check-in will start on **Friday evening at 6:45 p.m.** in the Piercing Arrow dining hall. Each participant must be present at check-in with a current annual [BSA Health and Medical Record parts A, B](#) in order to receive their wrist band. Unit Leaders cannot check in their participants as a group.

At check in, unit leaders will receive the unit's campsite location, information regarding site locations, and confirmation of start times or changes to program due to weather conditions.

Please make sure you have at least one leader at the leader meeting **Friday evening at 9:00 p.m.** to receive important updated information regarding site openings and procedures for the day.

You may bring personal or unit climbing gear (e.g. helmets and harnesses). These must be presented to staff for initial inspection during the check-in procedures on Friday evening.

Please note that HOAC climbing instructors at each program site have the authority to disqualify any piece of gear for use *at any time* during the event. For example, if a harness was approved at check in, but an instructor running a program site the next day feels that there is a problem with the harness, they have the authority to require use of a different harness for that site or the duration of the weekend. This policy is for the safety of participants and climbing instructors providing program.

PARTICIPANT GEAR LIST

Here is a list of personal items that each participant should bring with them to the event:

- ✓ Water bottle filled with water
- ✓ Food or snacks to eat while waiting in line or hiking between sites
- ✓ Rain jacket for inclement weather or fleece
- ✓ **NO baggy clothing.** All clothing must fit properly so it doesn't interfere with climbing gear
- ✓ Laced up closed toed shoes
- ✓ Small first aid kit for scrapes or blisters on the trail
- ✓ Leather Gloves for rappelling - these **must fit** (NO NYLON GLOVES)
- ✓ Flash light or head lamp for evening program
