

TZOFIM - ISRAEL SCOUTS

2019 Friendship Caravan Tour Stops in Kansas City Area

The “TZOFIM (Israel Scouts) Friendship Caravan” is the only "Scout Entertainment Corps" in the world. TZOFIM is the largest youth organization in Israel and for over 40 years, they have brought these programs to North America. **An entertainment showcase for International Scouting!**

Three “Caravan” Troupes are each composed entirely of ten 16 and 17 year old male and female Israeli Scouts (*TZOFIM*) and two Scout Leaders , and consists of very talented young people, selected from thousands of Israeli Scout applicants, based on personal character, integrity, Scouting experience, and accomplished stage/singing /dance talent. They perform dance and song selections (in multiple languages including English & Hebrew). After rounds of competitive auditions and 6 months of rehearsals and preparation, three touring groups of 12 crisscross the United States during the summer.

Scouts B.S.A.’s Heart of America Council, the Council's Jewish Committee on Scouting, the Jewish Community Center, and individual contributors, are funding the K.C. area tour stops for one of three touring groups this summer. They will be visiting and performing at:

- The Theodore Naish Scout Reservation on Monday., July 8, Dining Hall (~ 6:00 p.m.)
- The H. Roe Bartle Scout Reservation on Tuesday, July 9, Lone Star’s Davis Lodge at ~1:00 p.m.)
- The Jewish Community Center in Overland Park, 5801 W. 115th Street on July 10, 7:00 p.m.

If you have attended one of their concerts in the past, you already know what a fun and entertaining performance this is... if you have not, please mark your calendar! There is no charge for the performances... ALL are invited and encouraged to attend! **This is a unique and excellent opportunity for Scouts and Scouters to meet and experience International Scouting... through a song and dance venue. There is no charge for these performances.**
