

NRA Shooting Sports Instructor Trainings

BOY SCOUTS OF AMERICA®
HEART OF AMERICA COUNCIL

The Council Shooting Sports Committee is committed to offering as many leaders as possible the tools and information needed to properly and safely operate Scouting shooting sports programs and events.

Shooting Sports is one of the biggest highlights in a Scout's career. The courses listed below will help you gain a better understanding of the importance of shooting sports safety and instruction when working with Scouts of all ages. The BSA frequently issues new guidelines regarding Shooting Sports and these trainings will give you knowledge of them so you can operate within the rules and regulations of the BSA.

To register for an NRA Course go to the HOAC Training Page at <https://www.hoac-bsa.org/training> or to the HOAC-bsa.org Calendar and click on the course date for the link to the registration page.
