

SCOUT DAY AT THE K PARADE FAQ

- All participants must pre-register and have a game ticket, these will not be provided to parade participants for free.
 - All participants must check-in at the tunnel near Gate E and may begin parade line up at 10:45 am.
 - Participants must be in their place no later than 11:30 am. Placement in line is a first come, first served basis. Please plan on showing up early if you want towards the front - our volunteer staff will be there to provide assistance and direct units where to be if you need help finding your place in line before the parade begins.
 - Class A uniform is preferred. Class B is acceptable.
 - There MUST be at least one uniformed adult leader with each unit.
- The exact timing for the Parade will be directed by the Royals. We anticipate a 12:00 pm to 12:15 pm start time.
- Parade participants will walk around the warning track of the baseball field and exit at the same gate we entered the field on. Scouts may then re-enter the stadium (with a ticket/stamp) at any of the gates.
 - Backpacks, cameras, walking sticks and other non-essential items will not be allowed on the field. Please do not report for the parade with these items.
 - Patrol/Pack/Unit flags are welcomed and encouraged and will add greatly to the Parade. However, they will not be allowed into the stadium or in the stands and must be returned to your vehicle before entering the game.
 - Please pay attention to and be prepared for the weather during the parade and game.
