

BOY SCOUTS OF AMERICA®
HEART OF AMERICA COUNCIL

2020 Summer Camp Refund Policy:

The health and safety of our Scouting families, volunteers and staff is our number one priority as we continue to prepare and plan in the midst of the COVID-19 outbreak. This situation is truly unprecedented and as we look towards this summer and our camping operations, we are committed to remain proactive and make decisions that will protect the families we serve.

The decision to operate our council camps in 2020 will be based on our ability to follow CDC, local, state and BSA recommendations, and our ability to operate safely within those guidelines.

Our council's Risk Management and Camping committees have been reviewing scenarios daily and have developed an abbreviated 2020 summer camping schedule. That schedule is slated to begin on July 5th should the approval to operate be cleared by authorities.

Should our targeted start date of July 5th be altered or canceled, we will share that decision with our Scouting community. We anticipate that a final decision on whether our revised camping schedule will go ahead as planned will be communicated to all Scouting leaders the first week of June.

Refund Policy

We understand that updating sessions may limit the ability for some families to participate and will refund 100% of camp fees to those that choose not to attend should camp be held. To request a refund, please include:

- Unit Number (0000)
- Name of Unit Leader and Unit Position
- Number of slots needed to be refunded (Scout/leader)
- amount of money needed to be refunded (based on payment to the Council)

*Unit leadership must submit the refund for the unit in writing by emailing Laura Campbell at laura.Campbell@scouting.org. Refund requests will not be accepted by individual parents.

Refunds will be processed at the end of each month and deposited into the Unit Account at the Council Service Center. Confirmation will be sent to the Committee Chair once the deposit has been made into the Unit Account.
