FOXMAN Recommendation Requirements

In order for a Scout to be considered for this leadership position, all four of the following requirements must be met:

Current session must be a FULL SESSION at Battle Scout Reservation. First two seasons may have been at any Boy Scouts of America Council camp (9 days or more). A National or World Jamboree or a High Adventure Trek (greater than 5 days) at a BSA High Adventure Base may be substituted for one of the long-term camping sessions to meet the requirements for Foxman. The approved bases are: Paul B. Only one long-term camp may count in a calendar year.

4. **Scout Spirit and Participation** — The Troop Committee and unit leaders (21 and older) certify that the Scout has participated and given effective leadership to the best of the Scout's abilities in a majority of Troop activities, including meetings, campouts and other Scouting activities, according to the standards listed in this Guide, and that the Scout lives by the Scout Oath and Law in every day life.

Any exception to requirements must be requested and approved by the Service Council. By their signatures on the recommendation form, the Committee Chair and Scoutmaster certify that the Troop Committee has met, discussed, and voted in favor of this Scout's recommendation.

Young Adult Recommendations

Forms

Use the Warrior and Paint Recommendation (under 18) form if a Tribesman’s 18th birthday occurs anytime June 1 through August 31 of the current camping season. If the Tribesman is 18 before June 1 to 20 years, the Young Adult (18 - 20) Year Hawkway Warrior or Paint Recommendation form must be used. Paint-Tribesmen are 18 or above before June 1, the Honorary Warrior and Honorary Women Recommendation form must be used.

Warrior & Paint (Young Adult, 18-20) Recommendation Requirements

In order for a Scout to be considered for this Tribal leadership position, all four of the following requirements must be met:

1. For Warrior: Must be Brave to be recommended for Warrior.

   For Paint: Must be a Warrior to be recommended for each sequential paint responsibility.

2. Age Limit, 18 through 20: If a Tribesman’s 18th birthday occurs before June 1 of the current camping season, the Tribesman is recommended on the Young Adult (18-20) Year Hawkway Warrior or Paint Recommendation form. If the 21st birthday occurs anytime June 1 through August 31 of the current camping season, the Tribesman may still be recommended. If the Scout’s 21st birthday occurs before June 1 of the current camping season, the Tribesman may only be recommended for Honorary Warrior/Honorary Women recognition.

3. Camp Leadership: The Tribesman must be currently camping for a FULL SESSION at the Battle Scout Reservation.

4. Scout Spirit and Participation: The Troop Committee and unit leaders (21 and older) certify that the Scout has participated and given effective leadership to the best of the Scout’s ability in a majority of Troop activities, including meetings, campouts and other Scouting activities, according to the standards in the Guide, and that the Scout lives by the Scout Oath and Law in everyday life.

Any exception to requirements must be requested and approved by the ChiefShelf Council. By their signatures on the recommendation form, the Committee Chair and Scoutmaster certify that the Troop Committee has met, discussed and voted in favor of this Scout’s recommendation.

Young adult leader recommendations must have an accompanying letter from the Troop Committee, signed by the Committee Chairmen and Scoutmaster, explaining the young adult’s leadership contributions to the unit in the last year.

NOTE: The Scout recommended for Paint will be observed by the Tribal Council for the demonstration of adequate leadership.

If a Brave is age 19-20, the recommendation should be for Honorary Warrior rather than for the Honorary Warrior program. This process would make the Tribesman eligible to receive Paint elevations until age 21.

A unit is expected to pay for the number of campers and leaders at the final fee payment date for their camp. **No refunds will be granted after the final fee payment date**, however, transfers within the unit will be allowed. We understand that certain circumstances do arise that may result in a camper not being able to attend camp at the last minute. For a refund after the final fee payment date, a letter requesting a refund and explaining the extenuating circumstances must be sent to the Camping Committee of the Heart of America Council within two weeks of the end of your camping session. Letters should be mailed to:

Heart of America Council

Any request concerning a medical illness of a Scout or Leader must be accompanied by a signed doctor’s statement.
