

9. SPREAD OUT

Throughout all of our summer programs, we're encouraging our campers, leaders and staff to **spread out** to reinforce spacing guidelines.

This includes spaced seating during all activities, spacing requirements in campsites, updated tenting requirements and more.

SPREADING OUT (PROGRAM)

- All campers will be instructed to spread out and allow for distancing throughout all programs where possible.
- Each participant will be encouraged to bring their own camp chair to activities as our spacing guidelines will not allow more than 4 participants per picnic table.
- Where possible, we have made activity sessions smaller and have adjusted program area requirements to meet local, state, and/or federal guidelines.

SPREADING OUT (TENTING)

- With the reduced numbers of campers this summer, many Scouts will be able to have a tent to themselves.
- Where two per tent is still required, Scouts will be instructed to sleep head to foot and cots will be spaced to allow as much distance as possible.

9. SPREAD OUT MEAL PLANS

In order to encourage the continued practice of spreading out, all meals will be adjusted accordingly and moved to campsites instead of dining halls.

“GRAB & GO MEALS”

- Units will enjoy breakfast, lunch and dinner in their campsites with our new “Grab & Go” Meal Delivery Service.
- All participants will receive a pre-made meal delivered directly to their campsite by a member of our camp staff or picked-up by a unit representative.
- All food preparation and delivery procedures will adhere to current state food handling requirements.
- Campers will continue to reinforce spacing guidelines by continuing to spread out in campsites during meals (i.e. spaced seating at picnic tables and encouraged use of personal camp chairs.)
