Check In
Check in be on the road in front of Parry Lodge located approximately 1¼ mile down Scout Camp Rd after entering the reservation. Turn right at the statue of the Indian and proceed to the end of the road where you will be met by our Campmasters for the weekend. For Packs or groups traveling together, you should check in together to ensure campsites and parking together.

**Friday night arrivals** - Check-in will be available from 6:00 pm – 9:30 pm. Arrivals after 9:30 pm must check in with the Campmasters in front of Parry Lodge first thing on Saturday morning. Please try to arrive as early as possible to help facilitate check-in, camp set-up and parking.

**Saturday morning arrivals** - Check-in will be available from 7:30 am – 9:00 am. Any arrivals before 7:30 or after 9:00 am should proceed to the Dining Hall and check-in with the Commissioner. To facilitate check-in, camp set-up and parking, please arrive as early as possible, but no later than 9:00 am as the program begins at 10:00 am. There will be a lot of people moving around camp, so be extra cautious when driving to your campsite. There is also a good chance the campsite parking areas will be full, and you'll need to park in the Lone Star Parking lot after unloading.

Parking
Upon arrival, and after check-in, vehicles will be directed to the campsites for unloading. Commissioners will direct you to available parking areas. Normally, vehicles are not allowed to park overnight in the campsites, as they are not designed for vehicle parking. Please be respectful of our Commissioners who will do their best to safely accommodate everyone. Once campsite parking is full, you'll need to park in the Lone Star Parking lot after unloading. **All vehicles parked at the campsites must not be moved until after church services on Sunday morning.**

Please note, vehicles will be double and, in some cases, triple parked due to limited space at the campsites. Our objective is to get you parked as close as possible to your campsite. However, this means you may/will be blocked and unable to get your vehicle out, so please be aware and help our Commissioners with this difficult task. **A parking pass will be given to each vehicle entering camp at check-in. Please fill this out with your name and cell phone number in case we need to get vehicles moved in the event of an emergency.**

If you need to leave prior to the end of camp on Sunday, or prefer not to have your vehicle blocked, after unloading your gear please move your vehicle to the Lone Star general parking lot located outside of the campsites area by where you checked in. All cars should be moved or secured in the campsite parking area after unloading. For safety and security reasons, vehicle traffic will not be allowed in the camp after 9:00 am Saturday, until after breakfast on Sunday, except for emergencies.
Camping (Friday and/or Saturday)
Campers will be utilizing the same campsites used for long-term summer camp. You will be directed to your campsite and parked by our Campsite Commissioners upon arrival. You may reserve tent platforms for others in your group arriving separate from you, but be aware, they may be asked to unload and park in the Lone Star parking lot located outside of the campsites area, depending on available campsite parking. For this reason, we strongly suggest everyone camping together arrive together. PLEASE DO NOT SET UP TENTS OR CAMP ON THE PAVILIONS. THEY ARE ALL RESERVED FOR PROGRAM ACTIVITIES AND ADVENTURES AND TO BE OPEN WITH SUFFICIENT ACCESS. THANK YOU!

Your family/den will need to bring your own tent plus general camping equipment. In addition, please bring rope to secure tents to the platforms, which are approximately 9’7” x 7’9”, in case of inclement weather. Each campsite will have the water turned on and the latrine in operation. Showers will also be operating at the Lone Star pool shower house. Those facilities include flush toilets and urinals. Please note there are four separate shower facilities, one for boys and one for girls under 18, and one each for 18 & over, male and female adults. Please remember, all youth protection rules apply while in camp, for youth & adults.

In-Camp Stoves, Campfires & Fires
Propane stoves and lanterns are permitted in your campsite. There will be a camp wide campfire Saturday night that all are expected to attend. This campfire will be the only campfire allowed on the reservation during this event. Individual campsite campfires, or any open flames, are not allowed in camp or tents. Only battery powered lanterns/flashlights are allowed in tents.

Water
Each attendee needs to bring a water bottle. Water bottles can be refilled at the water stations by the latrines and throughout the camp. You may also want a container to fill with water for your campsite.

Meals
Included meals are Saturday – lunch & dinner, Saturday night ice cream after campfire and Sunday morning breakfast. (A light snack, juice & coffee for Friday night campers will be available Saturday morning between 7:00am and 9:00am outside the Lone Star Dining Hall) Please help our volunteer staff by picking up and disposing of trash at meals – Thank You!

Saturday lunch and Sunday breakfast are Grab N Go. Lunch can be picked up at the ORTC (Lone Star Dining Hall in case of weather) and breakfast at the Lone Star Dining Hall. Saturday dinner will be served buffet style in the Lone Star dining hall.

We will not be able to accommodate special dietary needs or meals
The full menu will be published 2 weeks prior to the event. Our dining hall staff will be happy to work with you to accommodate refrigeration for special dietary needs.

Please help our staff by picking up and disposing your trash at all meals – Thank You!
Health & First Aid

The main Health Lodge located just off the main road at Reservation HQ will not be staffed during this event, but there will be on-site medical assistance for emergencies and 1st Aid. Camp medical personnel will assist you with any medical emergency during the event, however, minor 1st aid should be handled by the Pack and/or responsible adult/parent. Please come to the Dining Hall, contact a Commissioner, any of the Program Staff or after-hours Ken Horrell 816.686.0889 if medical attention is needed.

- Health Forms - ALL persons entering the Reservation should have your current Form (parts A & B), to be retained by the Pack or responsible adult and accompany the patient in case of a medical emergency.
- ANYONE who is sick or has Flu or Covid like symptoms should not attend. We will issue refunds if needed to for those who don’t attend for medical reasons

- For those that are uncomfortable in a dining hall setting, feel free to use outdoor seating. This will allow for additional spacing for those individuals who would like to spread out

Severe Weather Procedure

In the event of severe weather, Camp Staff will be sent to the campsites or program areas to escort all campers to the storm shelters. Once the threat of severe weather has passed, everyone will return to your campsite or program area. Leaders will be responsible for ensuring everyone in your group is accounted for.

Lake Access is Prohibited
