EMERGENCY PROCEDURES

• Leave your cell phone number with the staff at the Central Camp Office so they can contact you in case of emergency.

• If you are lost, or unsure of where you are, stop moving and stay put. It's easier for help to find you if you are NOT moving!

• Always note the last mile marker you passed.

• Remember the color of the post that you most recently passed. This will help the staff narrow down which section of the trail to search.

• In case of emergency, you can reach the camp at: (913) 422-1035.

• In case of bad weather, you should find the lowest area and seek shelter on the southeast side of a hill.
