Dear Camp Leaders and Parents:

Thank you for the time you are giving to make WOLF CAMP a memorable experience. A summer camp experience is one of the highlights of a pack’s year-round program. The time has come to start the groundwork that will make your WOLF’S summer camp experience a success. In preparing for camp, it is important that you read the 2021 Wolf Camp Parent/Leader Guide. We hope you will notice the many program opportunities and outstanding facilities that provide a great camping experience.

For your convenience, this guide and other summer camp resources will be available on the Council website at www.hoac-bsa.org in Camping Resources. Please share this information with your pack leadership and parents of the participating Cub Scouts.

In addition to your summer camp experience, we encourage you to take advantage of our council properties as part of your year-round camping program. Your pack can hold weekend campouts at the Naish and Bartle Scout Reservations. Our Scout reservations provide many program opportunities along with a dedicated Campmaster Corp to support you during your weekend camping experience.

Also, there is an excellent opportunity for you to volunteer as a Commissioner at Wolf Camp in Camp Naish. Submit a staff application to apply for this very fulfilling chance to serve.

We, along with the entire camp staff, appreciate this opportunity to work with each of you to provide your Cubs with a memorable summer camp experience. Feel free to let any one of us know what we can do to assist you this year. Again, thank you for your time and leadership to the Cub Scout Camping program.

Yours in Scouting,

Judy Tuckness

The Theodore Naish Scout Reservation mission is to provide an opportunity for Cub Scout packs, Scout troops, Varsity teams, Venture crews, and Explorer posts, primarily from the Heart of America Council, to have fun, learn skills, and practice Scouting programs in the outdoors under their own leadership. The philosophy of the camp staff is a total commitment to serving our customers (Scouts and their adult leaders) to the best of our ability. In pursuit of this meaningful goal, we pledge to strive to incorporate the following things into every Naish Scout Reservation Activity.

1. **Teaching & Coaching:** Traditional Scouting skills will be taught to all those in need of instruction.

2. **Values:** All camp staff members are committed to being good role models; always exemplifying the Scout Oath and Law.

3. **Fun:** We will deliver fun filled camp-wide programs that will be enjoyed and remembered by every youth that attends camp.

4. **Quality Program:** An emphasis on quality and good health, with careful attention paid to program content, menu selections, trading post sales, and physical activities will be a part of everything we do.

In order to live up to this commitment to our customers, Naish Scout Reservation will feature a quality, mature, energetic, enthusiastic staff providing activities that will lead Cub Scouts into the Cub Scout program and help young men on the Trail to Eagle Scout.

........A WOLF CAMP ADVENTURE!

When you go out in the woods today, you will be surprised!

• You will find the Wolfs in Wolf Country are very, very busy. They live in a magical place located in the woods of Naish Scout Reservation, a special place called Cub World, where Wolf Cubs work and play.

• In this land of adventure, a Wolf Cub will find a... PIRATE SHIP!! A Water Park with water cannons and fountains to play in and on those hot summer days, you will find Wolfs of all ages in this favorite place to cool down.

• As you continue to explore Wolf Country and walk the forested trails, you will find hidden in the woods, a... CASTLE! Listen carefully for the sounds of games and laughter, as Wolfs play in this magic kingdom.

• Hike deeper into the woods and you will find a wooden fort, a... STOCKADE! Wolfs are hard at work here; they are making surprises to take back to their dens. Lots more places to explore and skills to develop are in this fort.

• Look across the trail and into the trees and you will spy the tops of Tipis, for you are about to enter an... INDIAN VILLAGE! Listen to the memories of a tribe, who will share the wisdom of the native ways and history.

• Soon you will be ready to discover the fun of the... SHOOTING RANGES, both ARCHERY and B-B GUNS!

• And as you settle into your very own tent for the night, you will smile as you remember the magic of WOLF COUNTRY... a very special place.

See you in the woods this Summer!

Central Camp Visitors

Visitors are welcome on the Naish Scout Reservation. If you plan a visit to Central Camp, please follow the required procedure. For the health, safety and security of the Scouts and leaders who are camping full time here, it is asked that all visitors check in at the Reservation Headquarters and follow the guidelines for visitors as stated.

At the time of check in, a copy of your driver’s license will be made and you will be issued a visitor wristband, which we ask you to wear during your visit. On rare occasions, special arrangements may be made for visitations that fall outside the general guidelines. These arrangements must be made with the Wolf Camp Director and/or Reservation Director prior to the special visitation and must be made by the full time Camp Leader of the den or PACK that is being visited.

GUIDELINES FOR VISITORS

Please wear your wristband at all times while on the reservation. You may be asked to show it to a staff member. Please do not be offended. Our staff has been trained to stop any person who does not have on a wristband. This is for the safety of all the campers and leaders.

We encourage your observation of the program areas of the camp you are visiting. The programs being conducted on the reservation require a health form to participate. For your safety, we cannot allow your participation in any of the program areas.

When touring program areas of the reservation, we ask that a full-time leader from the PACK you are visiting accompany you.

Because of the rugged terrain of the reservation, we discourage visiting with small children. Pets are not permitted, again for the safety of all on the reservation.

• Wolf Scouts can attend more than one session, and do not have to attend together as a Pack.

The only exception to this policy will be for Scouts and leaders joining Scouting for the first time on or after April 21, 2021. Any pack adding a Scout or leader after this date must give Camping and Program Services a specific name. This policy is intended to assist us in planning our food, supplies, and equipment orders in advance of your arrival.
• Wolf Camp is a one-on-one camping experience. There must be an adult/guardian for every Scout attending.
• Den Chief’s fees are a special rate of $45.00 and the fee increases after April 21, 2021 to $55.00.

REFUND POLICY
A unit is expected to pay for the number of campers and leaders at the final fee payment date for their camp. No refunds will be granted after the final fee payment date, however, transfers within the unit will be allowed. We understand that certain circumstances do arise that may result in a camper not being able to attend camp at the last minute. For a refund after the final fee payment date, a letter requesting a refund and explaining the extenuating circumstances must be sent to the Camping Committee of the Heart of America Council within two weeks of the end of your camping session. $30 of each reservation for Wolfs/Adults are non-refundable.

Refunds will not be considered for change of mind, vacation plans, extended sports schedules, weather, or no shows. The Camping Committee will review all requests and their decisions will be final. Upon refund approval, your refund will be refunded to the unit account.

FINANCIAL NEED
Financial aid is available to help Scouts in need of financial assistance. Campership Application forms are available at the Heart of America Council office. Financial aid is not designed to pay the entire camp fee for the Scout. The family, pack, and/or chartering institution should pool their resources first with a financial aid request designed to meet the balance required. Remember, every Scout should be able to attend camp regardless of his personal financial circumstances. Thank-you notes from those who receive aid are appreciated. Please contact Camping Services for more information.
HEALTH and SAFETY

HEALTH LODGE

The Health Lodge is located in Wolf Camp, next to the Camp Office and is available for emergency assistance. A refrigerator is available for medications. Camp medical personnel will assist you with any medical emergency during the session. If they are not in the Health Lodge upon your arrival, their location will be posted on a sign on the Health Lodge door.

Ask the Staff for assistance to the Health Lodge if needed.

INSECT BITES

Anyone participating in outdoor activities should take steps to prevent exposure to insect and tick bites. The Department of Health recommends the following when participating in activities in areas where you suspect insects and ticks are present:

- Wear long-sleeved shirts and long pants. Tuck pants into boots or socks.
- Wear light colored clothing to make it easier to spot ticks.
- Conduct frequent and thorough "tick checks". Finding and removing ticks quickly is important.
- Wear insect repellents that help repel ticks.

MEDICAL TREATMENT NOTES

PRESCRIPTION MEDICATION – A Parent/Guardian may dispense any prescription if properly labeled with frequency and dosage by the pharmacy. All prescription drugs dispersed by the unit must be locked with restricted access and records kept detailing dispensing Activity. If the unit chooses to, they may check-in all medication at the health lodge to be dispensed by the staff. Also, please note that needles used for insulin injections or other prescribed medications must be placed in the biohazard container located in the health lodge. The Health Lodge will also provide cold storage for medications requiring refrigeration.

Everyone should be familiar with basic first aid. It is important that each Pack be prepared to treat minor cuts, scrapes and abrasions by bringing a Pack First Aid Kit. Bandaged wounds should be kept clean to aid in preventing infection, especially in an outdoor setting. The following is a list of recommended contents for a Pack First Aid Kit.

EMERGENCY SEVERE WEATHER PROCEDURES

The Heart of America Council cannot stress enough the importance of the Health and Safety of all Scouts, Parents and Leaders while attending summer camp. It is the first priority of our procedures during participation in outdoor programs at our summer camp operations. We are proud of the FEMA designed STORM SHELTER that has been provided for everyone's safety at Wolf Camp. Everyone will be asked to participate in an EMERGENCY STORM DRILL during the first few hours of their camping experience at Camp Naish. This drill is designed to give everyone the information and procedures that will be necessary to know for any severe weather emergency. Please give our staff the full concentration and cooperation as we practice this drill for everyone's safety.

SOME GENERAL SAFETY TIPS

- Always hike in groups of two or more. Wolf Scouts need their adult partners to go with them in order to go hiking. Note their route and ask them when they plan on returning to the campsite.
- Always use the “buddy system”. Never allow a Scout to be alone.
- Wear shoes at all times to prevent cuts and bruises. No Sandals or open-toed shoes.
- Keep the shower house, bathrooms and campsite areas clean and free from hazards.
- Place trash in waste receptacles.
- No pets are allowed on the reservation.
- No running in camp.
- No rock throwing.
CAMP ADMINISTRATION AREA

- The Wolf Camp office is open daily from 7:00 AM to 10:00 PM. The office staff is available to meet the needs of any leader.
- The "Lost and Found" is located in the Wolf Camp Administration Area in the Pavilion.
- All Wolf Scouts and Parent/Leaders and visitors must check in and out with the Wolf Camp office when entering or leaving camp.
- Report any emergencies to the Camp Director immediately, who will notify the proper personnel.
- If any facilities need attention, please report to Camp Director or Staff.

SECURITY

- Camp gates will be closed and secured at all times. Any departure or arrival times must be pre-approved with the Camp Director.
- Gates will not be open during mealtimes.

EMERGENCY CAMP CONTACT

- The Camp Office telephone is used for emergencies only.
- The telephone number is 913-422-1035, and it is answered 24 hours a day, after 10 PM, a message will be recorded.

YOUTH PROTECTION GUIDELINES

- The Heart of America Council recommends that ALL adults complete Youth Protection Training. The course can be completed online. Log into www.myscouting.org. The process is simple, self-explanatory and when you have successfully completed the training, the Training Division will be notified so that your records can be updated. Also, be sure to print a copy of your training certificate to bring with you.

Also, consistent with Youth Protection Guidelines, adults (unless a parent or guardian) must not stay in tents or showers with youth members. Anyone caught or suspected of doing so will be asked to leave reservation property immediately. The only exception to these policies is the right of a parent to share a tent with their own child.
CAMPSITE COMMISSIONERS/HOST

• Your campsite is the base from which the program at Wolf Camp on the Naish Scout Reservation operates. A Campsite Commissioner (volunteer) may be assigned to your campsite to be of assistance in your camping experience. The degree of assistance rendered by the commissioner will depend upon the needs, desires and experiences of each PACK. The primary purpose of their work is to help you help your PACK. They may be in your campsite as much as needed to help you with your camp program.

• The Campsite Commissioner's function will be similar to that of your Unit Commissioner back home, except they may be available to you during the full time you are in camp. They will have a sound understanding of Scouting's basic principles, the program, and possess most of the traditional Scouting skills. Call upon them for help whenever needed. Program issues can often be quickly solved with their help, or perhaps you need something "special" for your Cubs that just doesn't appear to be available. Ask your Campsite Commissioner about it, they will be able to help you.

• There is one thing that we want you to remember about a Commissioner. They are there to help you, not to do it for you. In short, they will not run your Pack or Den for you. You and you alone are the leader of your Pack or Den in camp. Remember they are volunteers.

• For more fun opportunities, volunteer as a Campsite Commissioner. Please contact the Wolf Camp Director for more information.

STAFF HOUSING AREA

Campers and non-staff personnel are not permitted in camp staff housing areas. Remember that these areas are the staff’s homes for the entire summer. The staff deserves just as much privacy in their living areas as your pack deserves in its campsite. Please respect their privacy.
EQUIPMENT DAMAGE CHARGES

Each camper and pack is responsible for taking care of the camp equipment assigned for their use. In case of damage to this equipment, the individual or pack is responsible for the cost of repairing or replacing the damaged item. The current fees for damages are as follows:

- Canvas Replacement for Cots (Rips, Cuts, Writing on Canvas) $30.00
- Cot Replacement (when canvas and frame are both damaged.) $50.00
- Cot End Board Replacement $5.00 Each
- Cot Leg or Sideboard Replacement $6.00 Each
- Picnic Table Boards $15.00 Each
- Rip in Tent $5.00 Per Inch
- Writing on Tent Canvas $25.00 Per Panel

Damage to tents, platforms, and other equipment furnished by the camp will be evaluated by the Reservation Ranger. Charges for destroyed waterproofing and types of damage not noted above will be determined on a case-by-case basis. The maximum fee per tent and platform set is $500.00.

SELLING POLICY

The sale of unauthorized merchandise to campers, leaders, or staff for personal or unit profit is not permitted. The Heart of America Council, Order of the Arrow, and Tribe of Mic-O-Say logos are protected, and written permission is required to use them. The Heart of America Council, Cub Scouts of America, by signature of the Scout Executive, shall have the sole right to authorize the use of insignia, words, phrases, designation marks, pictorial representation, and descriptive remarks related to the program of the corporation. This includes the Order of the Arrow and Tribe of Mic-O-Say logos, on commercial products, promotional efforts and/or sale and distribution to members of the Cub Scouts of America and/or the general public. The use of same shall be only as authorized and approved by the Scout Executive.

ACCIDENT, HEALTH, AND ILLNESS INSURANCE COVERAGE

The Heart of America Council provides supplemental accident and illness insurance coverage for each registered member of our council. This council-wide coverage protects each member all year long while attending official Scouting functions. Maximum benefits are $15,000 for Accident Medical expenses and $7,500 for Sickness Medical expenses (sickness that manifests itself during the Wolf Camp Activity). All claims are to be submitted directly to Council Service Center by the family. Claim forms may be obtained at the Council Center or the Health Lodge. Contact the Heart of America Council for further details. NOTE: All units or individuals visiting the Theodore Naish Scout Reservation from out of council must provide their own insurance and claim forms, in case of accident or illness while at camp or in route to camp. You will be required to provide proof of coverage at the Camp Central Office.
TOBACCO USE

This is a nonsmoking Scout Reservation. As such, smoking on the property is strongly discouraged. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking.

There is NO SMOKING EXCEPT IN DESIGNATED SMOKING AREAS, which is your private vehicle in the parking lot, and always out of sight of the campers. No children will be allowed in the smoking areas.

WILDLIFE

Naish Scout Reservation is home to many types of wild animals. Hunting or harming wildlife is not permitted. Only your Camp Nature Counselor is authorized to collect and display wild animals. If you have an unwelcome snake or other critter in your campsite, please contact the camp office and steps will be taken to address the situation. In addition, the use of claws, feathers and other parts from birds are prohibited. Remember that federal law protects birds of prey and possession of their parts and is punishable by fine or imprisonment.

TRANSPORTATION AND VEHICLE POLICY

You can plan to arrive at camp at 2:00 PM on the first day. The drivers of vehicles on the reservation must be at least 18 years of age and possess a current and valid driver's license. Be sure all cars and buses transporting your Cubs have adequate insurance. No individuals may be transported in the bed of pick-up trucks! Cub Scouts of America regulations prohibit using the cargo area of trucks (including pick-ups with camper shells) and trailers for the transportation of passengers; persons riding on the tailgates of station wagons or trucks is also prohibited. Each occupant should have and use a seat belt.

Scouts and Adults are encouraged to wear their Field (Class A) Cub Scout uniforms when traveling to and from camp.

The maximum speed limit for all vehicles at camp is 5 miles per hour. No driving off of roads is permitted, and all vehicles must be parked in designated parking areas.

Absolutely no vehicles of any kind are allowed in the campsites.

The Heart of America Council is not responsible for loss or damage caused by fire, storms, theft, or vandalism to any personal vehicles, or for any loss or damage to articles left in said vehicles.
CONSERVATION POLICIES

• Do not cut down any trees.
• Do not hike trails that are marked “Closed” and do not cut across switchbacks.
• Only conduct conservation projects that have approval of the Camp Management.
• No fires in campsites.
• Please leave your campsite cleaner than you found it.
• Please pick-up any trash you find along camp trails.

LEAVE NO TRACE

Instilling values in young people and preparing them to make moral and ethical choices throughout their lifetime is the mission of the Cub Scouts of America. Leave No Trace helps reinforce that mission and reminds us to respect the rights of other users of the outdoors as well as future generations. Appreciation for our natural environment and a knowledge of the interrelationships of nature bolster our respect and reverence toward the environment and nature.

The Principles of Leave No Trace:
1. Plan ahead and prepare.
2. Travel and Camp on durable surfaces.
3. Dispose of waste properly.
4. Leave what you find.
5. Minimize campfire impacts.
7. Be considerate of other visitors.

For more information contact the Leave No Trace Center for Outdoor Ethics toll-free at 800-332-4100 or on the Internet at http://www.lnt.org.

CAMP DRESS CODE
