

# JOIN THE COMMISSIONER CORPS!

## HEART OF AMERICA COUNCIL

### BOY SCOUTS OF AMERICA

**What Is Commissioner Service?** Unit Commissioners help ensure units succeed, through regular contacts with the Unit Key 3 and connecting units with district and council resources. Roundtable Commissioners provide the monthly Roundtable in the district, the most important monthly event for connecting units with district resources, sharing news and information, and training. Administrative Commissioners support Unit Commissioners and Roundtable Commissioners.

**Who Is Eligible To Be A Commissioner?** Male or Female. 21 years and older. Complete the application, pay the fee, and pass the background investigation. Have an open-mind and be willing to learn new things. Capacity to be a mentor and guide and not the BIG BOSS. Be diplomatic but forthright when the need arises. Able to withstand an occasional confrontation or uncomfortable moment.

**Why Do You Want To Be A Commissioner - What's In It For You?** Best training in Scouting. Learn how other units deliver the Scouting program. Work with the finest people in the community. Make a difference for more than just your unit.

**Can You Benefit Scouting By Serving?** Absolutely! Every unit needs help to improve its program and planning to improve retention of youth and their families in the Scouting program. If you meet the eligibility requirements, we'll make sure you have all the training and support you need to help a unit succeed.

**How To Join The Commissioner Corps? CONTACT YOUR DISTRICT COMMISSIONER!**
