- For credit cards, have them hold the card horizontally over the contactless symbol on the iPhone.
- For digital wallets, have them place their device over the contactless symbol on the iPhone.

TIPS

Best Practices for using Tap to Pay on an iPhone

- If your phone case has a holder for physical cards, remove them from your phone case to prevent accidentally charging your own card while Tap to Pay is enabled.
- Never hand your iPhone over to the customer. Have the customer hold their card or NFC device. If needed, have them hand you their card or NFC device for you to tap on your iPhone.
- For credit cards, hold the credit card horizontally over the contactless symbol on the iPhone.
- For digital wallets, have them place their device over the contactless symbol on the iPhone.
- Watch for the Approved message on the screen to confirm that payment has been accepted.
