Welcome to Scouting!

As a parent, you want your child to grow up to be a self-reliant, dependable and caring individual. But does Scouting really improve a kid’s character? According to research conducted at Tufts University, the answer is YES!

The research studied 4,000 kids, some who are in Scouting and some who are not. The findings show that Scouting...

1. Includes sustained, positive adult-youth relations with caring and supportive adults
2. Promotes development of life skills through program activities
3. Provides leadership opportunities

Serving Today’s Families through Scouting

Cub Scouting is fun for the whole family. In Scouting, boys and girls start with their best right now selves and grow into their very best future selves. It’s fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.

**BOYS’ LIFE RECOMMENDED**

Boys’ Life Magazine has been around almost as long as there have been Scouts. It is the only magazine especially designed for the Scout.

With features such as camping around the world and hiking, hobbies such as model cars and boat building, bicycling, fishing and nature, and articles on current Scouting, sporting and new events, Boys’ Life has just about everything to offer your child.

Make sure on your application you mark the Boys’ Life square and put your correct mailing address. In approximately 2 to 3 months, your Scout will receive their first issue delivered directly to their home. This is one step you can take to make sure your child will receive a full year of great Scouting.

**HOW TO GET STARTED... BASIC NEEDS**

Contrary to what your Scout may tell you, the first thing they will need to get started is not a uniform, but a book. The books in Cub Scouting are related to their age. Kindergartners will need a Lion Book, a 1st grader will need a Tiger Book, a 2nd grader will need a Wolf Book, a 3rd grader needs a Bear Book, and 4th and 5th graders will need a Webelos Book. These books contain the basics they will need for the coming year, especially the requirements for that rank.
CUB SCOUT UNIFORM

The uniform is an important part of the program and it represents an investment on your part. Our uniforms are of very high quality and, in most cases, will last for several years. So, be sure to buy one large enough for them to grow into.

Most new Cub Scouts will have to buy a uniform and our Council Scout Shops are the official distributors of BSA uniforms and equipment.

Scouting operates through volunteer leadership. Naturally, parents are the primary source of leaders in the Scouting program. You volunteer not only to serve Scouting, but also to help your child and their friends, and to have the chance to be a positive influence on the youth in your community.

WHAT DO I GET IN RETURN?

Being a leader is fun, challenging, and rewarding. Leaders find that their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talents, and enthusiasm to Scouting.

• Fun and fellowship with other families, sharing your pride in the Scout’s accomplishments

• The privilege of helping to enrich and strengthen families

• A chance to help Scouts learn good citizenship and to help shape them into men and women who have strength of character and are sensitive to the needs of others

• The opportunity to help make a difference in the lives of boys and girls as they grow strong in mind and body

• A code to live by which will set a worthwhile example for both youth and adults

Training is an important part of learning to become an effective leader. The main purpose of training is to provide you with the tools you need to put on a quality program for your Scouts.

YOUTH PROTECTION TRAINING
The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members. This training covers the BSA’s Youth Protection policies, kinds of abuse, how to respond to disclosure of abuse, and proper reporting procedures. It does so by taking you through situations that require choices and produce consequences. This training is available online and in each district throughout the year. In order for an adult to remain a registered leader in the Boy Scouts of America, Youth Protection Training is required every two years.

JOB SPECIFIC TRAINING
Job Specific Training is designed to present in-depth information for a new leader in a specific leadership position such as Den Leader, Cubmaster, etc. This course is presented several times a year in your district, at the council level and online.

To complete training courses online go to myscouting.org and create an account.
