

## **COUP OF THE LONG TRAIL**

The Coup of the Long Trail is recognition by the Tribe of Mic-O-Say for all Warrior Tribesmen and Honored Women who participate in an approved camping adventure and completing certain requirements while on the trip. Following are questions and answers to increase your knowledge about the coup.

### **What is the first requirement to earn the coup?**

A Tribesman must obtain an application for the coup and have it signed by an approved Medicine Man **BEFORE** going on the trip. The coup is not presented for taking a trip. It is presented for taking part in certain Mic-O-Say activities while on the trip. You wouldn't know what activities are required while on the trip if you waited until you returned to get the information and application.

### **What kind of trip is required to earn the coup?**

You must be a member of a unit, district or council group taking part in an activity sponsored by the National Council, Boy Scouts of America (Philmont, national canoe bases and national or world jamborees), or a unit activity outside of the Heart of America Council that lasts at least five consecutive days.

### **Is taking part in a trip like the one described above all I have to do to earn the coup?**

No! The coup is not presented for taking a trip. It is presented for taking part in certain Mic-O-Say activities while you are on the trip.

### **How does a Tribesman learn what activities must be done while on the trip?**

Each Tribesman must obtain and complete an application from one of the Medicine Men named on the approved list in the MOS Leaders Guide (also on HOAC website under Mic-O-Say). The Medicine Man will explain the requirements that need to be completed while on the trip then sign the application showing the information was given. He will also explain how to receive the actual coup.

### **I have 10 Tribesmen going. Do they all have to meet with the Medicine Man?**

That would be best. He could arrange to meet with you, perhaps at a troop meeting. If it isn't possible for everyone to meet with him, a leader that is going on the trip could obtain a completed and signed application for anyone who could not attend and be responsible for informing them what they must do while on the trip.

### **Can a Brave earn the Coup of the Long Trail?**

Yes, he can earn the coup while he is a Brave but it will not be presented nor worn until he becomes a Warrior.

### **Can a Foxman earn the Coup of the Long Trail?**

No, a Foxman is not a tribesman.
