Tribesmen have a new opportunity for a chance to enjoy 2 weeks in Scouting's paradise. From July 26 to August 9, 2020, be an integral part in building new trails at Philmont. In the first week of your adventure, you will leave a legacy by putting great diligence and physical effort into a trail built to last over 75 years, knowing one day you can come back and say, "I helped build that."

The second week you will be enjoying a seven-day backpacking trek though Philmont's beautiful backcountry while gaining skills in backpacking and low impact camping skills.
