

## Officer Coups

Officer Coups may only be earned as an Arrowman. While earning these coups, an Arrowman must have been current with their Tamegonit Lodge dues.

Officer coups are awarded to Arrowmen who serve in a leadership or advisor capacity within Tamegonit Lodge. Current or former officers are eligible to wear these beads after serving in that capacity.

This is an informational document and is not an application that is turned in at the Naish Trading Post. The coups can be purchased at the Camp Naish Trading Post and should only be worn once an officers term of office has started.

**Gold** (not yellow) coups signify national or regional involvement, including both committee and officer positions.

**Red** coups signify area or Section positions, including both committee and officer positions.

**Purple** coups signify Lodge officer.

**Green** coups signify Lodge committee positions.

**Yellow** coups signify Chapter, including both committee and officer positions.
