- The 100th (of the BSA) Fog Bead is a round bead with a crackled matte finish painted gold inside, simulating the glow of an old-fashioned street lamp seen through a thick fog. All Arrowmen who are active or inducted in 2010 may wear the coup.
- The 50th Anniversary Coup (of Tamegonit Lodge) is a small gold bead. All Arrowmen active or inducted in 1989 may wear the coup.

C. **OFFICER BEADS.** Cylindrical bead. Officer coups are awarded to Arrowmen who serve in a leadership or adviser capacity within Tamegonit Lodge. These coups are different from normal coups in that they are awarded to an Arrowmen after successful completion of his term. Arrowmen who feel that they are eligible to receive these coups should talk to the current Lodge Chief. Chapter Coups are awarded at the chapter level. Gold coups are extremely rare and to see a pair be awarded to a member of Tamegonit Lodge is a high honor. In these instances, the coup recipient himself will generally specify the circumstances for the presentation of his coups.

D. **SERVICE COUP.** CLEAR Multifaceted Round bead. Awarded to Arrowmen for 50 hours of service to Scouting performing duties not recognized in other coups.
