What is National Youth Leadership Training (NYLT)?

National Youth Leadership Training (NYLT) is an exciting, action-packed program designed to provide youth members of the Boy Scouts of America with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others. The NYLT course centers around the concepts of what a leader must BE, what they must KNOW, and what they must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.
