Acquire valuable leadership skills, such as listening, communicating, conflict management, project planning and leading change.

Build upon the best traditions and experiences of the Boy Scouts of America.

Better understand and appreciate diversity and differences in our society.

Experience the patrol method by working as a group, camping, cooking, and employing skills that aid you in being a better Scout leader.

Deliver an improved program and a more meaningful experience for the youth Scouting serves.

Develop friendships that will last a lifetime!

For the safety and well-being of scouters and staff, CDC, BSA/HOAC, and county COVID guidelines will be implemented.

Meet the Course Directors

Cari Thompson
