Friday Check-in Starts at 5:30 pm

The Leave No Trace Trainer Course will provide Scouts, Scouters, Venturers and Unit Commissioners that successfully complete course requirements with recognition as a Leave No Trace Trainer in BSA and Leave No Trace (www.LNT.org). Youth and Adults can use this to train both non-scouting and scouting audiences in the 7 Principles of Leave No Trace. A Leave No Trace Trainer Course is highly recommended for Scouts BSA who wish to hold the Outdoor Ethics Guide position in their Unit and for those attending any High Adventure Camp.

Cost with food and course materials will be \$65.00 per participant.

Course is open to all scouts and scouters 14 years and older.

The course will consist of 2 overnights, class work, and outdoor experiences.

Informational packets to follow once enrolled.
