

Thank you for agreeing to be a Cub Scout leader! We appreciate your service and couldn't do it without you! Here are a few things you need to know.

Before submitting your adult volunteer application you **must**:

- Go to myscouting.org and complete 'Youth Protection Training'.
- Print your completion certificate!

After you've completed 'Youth Protection Training':

- Get unit committee chairman and charter organization head or representative signature on your application.
- Attach your certificate to your adult volunteer application.
- Take the application to the HOAC Service Center (10210 Holmes Road, Kansas City, MO) and pay the appropriate fees. Be sure to include the **signed** Background Disclosure Form – this form is included with your adult volunteer application.

By the end of the year:

- Go to myscouting.org and complete 'Den Leader Fast Start Training'.
- Go to myscouting.org and complete 'This is Scouting Training'.
- Attend a 'Cub Scout Leader Specific Training' Course. You may attend trainings in any district, whatever works with your schedule! View the training schedule at <http://www.hoac-bsa.org> > Programs > Training > Training Course Schedule.

Again, thank-you for volunteering in helping to shape young lives. Volunteers are the lifeline of the Scouting movement!

EVERY SCOUT DESERVES A TRAINED LEADER!
