Update Your **Youth Protection Training** This October

The BSA has released bold, wide-ranging updates to its Youth Protection program starting with an enhanced online Youth Protection training course all volunteers and professionals must complete.

Even those Scout leaders who took the previous version of Youth Protection training must log into [www.My.Scouting.org](http://www.My.Scouting.org) and complete the updated Youth Protection course by the first week of October 2018.

The updated course will take about an hour to complete. It includes cutting-edge research from the top experts in the field of child abuse prevention.

Next, the BSA has made it impossible for an individual to register as a new volunteer without first completing Youth Protection training. Unit rechartering is affected, too. Packs, troops, posts, ships and crews cannot recharter until all leaders—100 percent of them—are current on their Youth Protection training.

**Who must complete the updated Youth Protection course?**

All registered Scouters (volunteers and professionals), including any adult who will be present at a Scouting activity for 72 total hours or more.

The updated course debuted in February 2018. If you took Youth Protection training prior to that, you’ll need to complete the updated course by the first week of October 2018.

**How do I take the updated Youth Protection course?**

The World Scout Jamboree

July 22 – August 2, 2019
Summit Bechtel Reserve | West Virginia, USA

The World Scout Jamboree is above all, an educational event that brings together the world’s young people to promote peace and mutual understanding and to develop leadership and life skills.

Unlike any other youth event, the 24th World Scout Jamboree invites you to surround yourself in diverse global cultures by joining your new Scouting friends at a single destination for 12 unforgettable days. The jamboree experience extends beyond your home—and beyond the boundaries of our countries—to create a global adventure that will last a lifetime!

Who Should Attend

The 24th World Scout Jamboree is an official educational event of the World Organization of the Scout Movement. It is specifically designed for young people ages 14 to 17 years old from National Scout Organizations, which are members of WOSM.

To be eligible to be a youth participant at the 24th World Scout Jamboree, you must be born between July 22, 2001 and July 21, 2005. If you are older on the given date, you may be able to apply to become a member of the International Service Team or contingent team, or a unit leader.

The Jamboree Hosts

This 24th World Scout Jamboree is unique because it is a team effort by Scouts Canada, Asociación de Scouts de México, and the Boy Scouts of America. Our three countries are getting ready to welcome our Scouting friends as family to “Unlock a New World.”

The Summit Bechtel Reserve

The Summit Bechtel Reserve is a world class and sustainable Jamboree site and will host the 24th World Scout Jamboree. Situated in the wilds of West Virginia, The Summit Bechtel Reserve is one of the most advanced and sustainable adventure bases for youth in the world. The 24th World Scout Jamboree will feature a wide range of first-class adventures including Aerial Sports, Aquatics, Climbing, Extreme Sports, Rafting, Shooting Sports and much more.

The Theme

The theme, Unlock a New World, invites you to unlock new adventures, new cultures, and new friendships. This jamboree will provide a different view on the Scouting movement. Holding fast to our traditions of conservation and outdoorsmanship, a jamboree in the “New World” is a jamboree that embraces the growing trend of leadership development and global citizenship that our movement has cultivated.

Honoring a Fallen Hero

Eagle Scout and Wyandotte County Deputy Patrick Rohrer was recognized posthumously as a James E. West Fellow and Mic-O-Say Tribal Guardian in September after Scouters helped raise more than $2,500 in his memory. Patrick's father, John Rohrer, accepted the award in honor of his son.

LEAVING A LEGACY

George Lieberman Endowed Camp Staff Scholarship

Beginning in 2020, The George Lieberman Camp Staff College Scholarship will be awarded for the first time to a camp staff member at the H. Roe Bartle Scout Reservation. This newly endowed college scholarship was established by George's long-time friend and fellow Scouter, Harvey Bodker, as a tribute to their commitment to Scouting and to honor a friendship that spanned decades.

George loved Kansas City and was an area resident his entire life. He graduated from Paseo High School in 1944, served in the United States Navy during World War II, and returned in 1946 to attend the University of Oklahoma.

In his last semester of college, George married Floriene Kay and became active in the real estate development and building business.

George devoted much of his time to the Boy Scouts of America and served as Vice President and a member of the Executive Committee of the Heart of America Council. George was an active member in the Tribe of Mic-O-Say and was named Chieftain in 1978, Chieftain Fading Red Cloud.

George received the Silver Beaver Award for outstanding service to the council and was awarded the Shofar Award for service to Jewish youth in Scouting for his involvement with Troop 61 and Pack 3163.

George served as Executive Vice President of the Jewish Heritage Foundation, as an Honorary Vice President and Lifetime Member of the Board for the Jewish Community Center, as a member of the Board of Governors for the Jewish Federation and Council, as a founding member and President of the Jewish Community Campus, and as a member of the Board of Governors of the Hyman Brand Hebrew Academy.

Together, George and Floriene were also devoted to community service and to helping better the lives of those around them. In 2003, both shared the honor of receiving the Volunteer of the Year award presented by the Volunteer Center of Johnson County. In 1987, George was honored with the B’nai B’rith Eddie Jacobson Humanitarian Award.
